

2 ROADSHOWS FOR 2022

FIND SOLUTIONS **NETWORK** SEE WHAT'S NEW

Lancaster Area – October 20, 2022

Minneapolis Area – September 28, 2022

By working together, we can increase your profits and achieve success. The first step is for you to learn about our products and programs – and for us to learn about your business. Our Roadshow events provide those opportunities.

Our team of plant and retail experts will share their insights on growing the newest Proven Winners varieties and provide information on the latest industry trends. To better meet the needs of our audience, we'll also provide both a grower and a retailer track so that you can focus on the topics best suited for your business. Our keynote speakers **Anne Obarski of Merchandising Concepts** and **Dr. Bridget Behe of Michigan State University** will also share practical tips to take your business to the next level in 2023. These popular **FREE** events provide helpful tips and ideas so that you can be ready to make the most of the upcoming season.
