## STAY ORGANIZED & SCHEDULE

Stores can manage hours of social media marketing in one sitting! Scheduling allows stores to select and customize their content – then tell Promoboxx when to share it on their behalf. Schedule posts for the full month all at once. For questions, please contact Karin at (815) 895-0104 or [Karin@ProvenWinners.com](mailto:Karin@ProvenWinners.com).

## MAXIMIZE TIME WITH AUTOMATION

Automation helps garden centers save the maximum amount of time while still reaping the benefits of high-quality content. Once enabled, the brand will automatically share new organic and paid content on Facebook for you. For technical support, please contact Promoboxx at (800) 380-7502 x 1 or email them at [support@promoboxx.com](mailto:support@promoboxx.com).
